WHAT IS OPERA CONFERENCE? It's the world's most influential gathering of North American opera producers, tackling pressing topics across the arts and nonprofit sector.

The 2025 event will confront the future of opera as both an art form and a business. Questions about how companies can deepen their value to the communities they serve and how opera — and the arts — can be a beacon for civic impact on the local level will shape the national discussion.

AT OPERA CONFERENCE, YOU WILL:

- Hear from leading thinkers from across the arts and nonprofit sector
- Gain practical tips and learn about specific strategies for success
- Expand your professional network to advance your career
- Enjoy a performance from our host company, Opera Memphis, and a showcase of New Work

DAY PASSES ARE AVAILABLE STARTING AT \$195!

Registration for Opera Conference ranges from \$200–\$845 for non-members. OPERA America members receive discounted rates.
